

TRADINVESTE ADVISED INSTALBLUE, A COMPANY 100% HELD BY THE SPANISH GROUP ASSISTA, ON THE ACQUISITION OF 100% OF DESENTOP SHARES

TRADINVESTE (www.tradinveste.com), the Portuguese branch of CFI (www.thecfigroup.com), advised Instalblue, a company 100% held by the Spanish Grupo Assista, on the acquisition of 100% of Desentop shares.

Grupo Assista (www.grupoassista.com) is the leading Spanish business group for facility services, with a history of over 25 years. It is also a leader in the home assistance, construction and facility maintenance segments, as well as real estate recoveries, services outsourcing and contact centers. Assista owns network of companies and employs more than 2,000 professionals.

For more information:

Instalblue (www.instalblue.com) is a Portuguese holding company 100% held by Grupo Assista.
