

# TRADINVESTE (CFI PORTUGAL) ADVISED GI CAPITAL SOLUTIONS' SHAREHOLDERS ON THE SALE OF THEIR SHARES TO VERIFICA, A COMPANY 100% HELD BY THE SPANISH GROUP B2HOLDING

Tradinveste ([www.tradinveste.com](http://www.tradinveste.com)), the Portuguese branch of CFI ([www.thecfigroup.com](http://www.thecfigroup.com)) advised GI Capital Solutions ("GICS"), on the sale of 100% of their shares to Verifica, a company 100% held by the Spanish Group B2 Holding.

GICS ([www.gicapitalsolutions.com](http://www.gicapitalsolutions.com)) is a company providing 3<sup>rd</sup> party collection services for the banking (unsecured products), insurance and health sectors.

Verifica ([www.verifica-sa.com](http://www.verifica-sa.com)) is a Spanish company held by the Norwegian Group B2Holding, providing comprehensive collection management services, business process outsourcing and risk analysis. The acquisition of GICS will enable them to serve existing customers in both Spain and Portugal within 3<sup>rd</sup> party collection.

B2Holding ([www.b2holding.no](http://www.b2holding.no)) is a leading pan-European debt specialist, providing debt solutions for banks and institutional vendors. They have established themselves as one of the leading players in the markets where they operate. Their head office is located in Oslo and they have full operations in 22 European countries.

This acquisition is in line with B2Holding strategy to expand in the Iberian region, and GICS will be organized as part of the Spanish operation.
